Regular disclosure of data	<p>Data in the filing system are used solely by the company, except when an external service provider is used either to provide added value services or to support credit-related decision-making.</p> <p>Data will not be disclosed to external parties or to the company's partners except for purposes related to credit applications, debt collection or invoicing as well as in situations required by law.</p> <p>A data subject's personal data will be removed upon the data subject's request unless such removal is prohibited by legislation, outstanding invoices, or debt collection.</p>
Transferring data outside the EU or the EEA	Personal data will not be transferred outside the European Union unless necessary for ensuring the technical implementation of the company's or its partners' activities.
Filing system's principles of protection A: Manual material	Contact information collected during customer events and other manually processed documents containing customer data are stored in a locked and fireproof space after initial processing. Only specific employees who have signed confidentiality agreements have the right to process manually stored customer data.
Filing system's principles of protection B: Electronically processed functions	Only specific employees working for or on behalf of the company have the right to use the contract register and maintain data stored in it. Each specific user has his or her personal username and password. Each user has signed a confidentiality agreement. The system is protected by a firewall to prevent external attacks on the system.
Rights of the data subject	
Cookies	
Information source	e-mail, calls, form in webshop, visits and letters.
Automatic processing and profiling	
Right of access	The data subject has the right to check what data has been stored about him or her in the filing system. A request for data access must be given in writing by contacting the company's customer service or the filing system's contact person either in Finnish, Swedish or English. The request for data access must be signed. The data subject has the right to prohibit the processing of his or her data and its disclosure for the purposes of direct marketing, distance marketing or opinion polls by contacting the company's customer service.
Right to lodge	

Right of portability	
Right to rectification	<p>Taking into account the purposes of processing, any data stored in the filing system that is inaccurate, unnecessary, incomplete, or outdated must be erased or rectified.</p> <p>A written request for rectification, signed by hand, should be sent to the company's customer service or the personal data filing system's administrator.</p> <p>The request should specify what information should be rectified and on what grounds. Rectification shall be carried out without delay.</p> <p>Notification of rectification will be sent to the party who provided the inaccurate data or to whom the data were disclosed.</p> <p>If a request for rectification is denied, the responsible person of the filing system will provide a written document stating the grounds for the denial of the request for rectification. The data subject concerned may then pass the matter along to the Data Protection Ombudsman.</p>
Other rights related to the processing of personal data	<p>Right to restrict processing The data subject has the right to request that the processing of their personal data is restricted for example if data stored in the filing system is erroneous. Requests should be sent to the responsible person of the filing system.</p> <p>Right to object The data subject has the right to request for personal data pertaining to them, and the data subject has the right to request for the rectification or erasure of said data. Request can be sent to the contact person of the filing system.</p> <p>If you are acting as the contact person of a company or organisation, your data cannot be erased during this time.</p> <p>The data subject has the right to prohibit the disclosure of processing of personal data for the purposes of direct marketing or other marketing, the right to demand the anonymization of data where applicable, as well as the right to be completely forgotten.</p>
